

Greetings, Greeters and Ushers!

This midyear update letter comes as we have reopened our doors three weeks into the new Covid19 rules and regulations. As you know, so far only worship services have reopened. No other church ministries have yet been reinstated.

The team on the schedule for the week should be in the foyer NLT 8:30 to get station assignments and name tags. The three will pray at 8:35 and then report to their stations by 8:40. **Remember, if you cannot meet your scheduled commitment, it is your responsibility to call a sub from the top list below.** Only those on that list may serve. In addition, please call early, not at the last minute—thanks!

One of the three will serve as the greeter at the foyer's outside doors, keeping these doors unpinned at all times and opening them only to allow access to one party at a time.

A second, having received the RSVP list and clipboard from Pastor Mike, will serve at the auditorium door admitting only parties who have RSVPed. All others will be sent to the fellowship hall until room has been secured for them in the auditorium.

A third will serve as the usher in the auditorium, directing parties to their seats, insuring that at least three empty seats remain between parties.

As a weekly reminder to the team who are serving the upcoming Sunday, Lisa will email everyone on the list with those names, which will appear in red just below this note.

Whenever responding to her email, or whenever you email anyone on the team on a greeter-related matter, please hit REPLY ALL to send a copy to everyone, **including** the support team—thanks!

And THANK YOU for volunteering and for committing to this very important ministry through December of 2020! We appreciate your service, commitment, and servant hearts. —John
